From the Committee

Hello Members,

A belated Happy New Year to all our members and hope we can break down some more 'brick walls' this year.

Our regular Thursday and Saturday research days are filling fast so if you need a hand with your research, please make an appointment time with Ivan, Margaret or Ian.

2012 Congress

We are seeking volunteers to staff our ANDFHG/Legacy/FTM stands for a few hours. If you would like to help out please contact Tammy Martin secretary@andfhg.org. A 4 hour morning session or two 3 hour afternoon sessions are available. Access is free and volunteers will be free to wander around the exhibition at their leisure when things are quiet. You will find that you will have plenty of time available to browse, while the speaker sessions are taking place. They will also have access to morning and afternoon tea, if it falls within their time slot. Our stands will next to our Friends at FPFHG, so plenty of chance for interaction will be available.

Our congratulations go to our Secretary Tamara Martin and her husband Michael on becoming grandparents to Cody who was born 24/1/12 weighting in at 3.76kg (8lb 3oz).

Please note that we will not have a Guest Speaker in March, due to the final preparations for the Congress.

We will of course keep you informed of developments in the coming months of future speakers.

Our speaker for February will be Andrew Durham of Artlab. If you would like to visit their website to know more about their work, please access www.artlabaustralia.com.au
