From the Committee

March has definitely gone out with a bang, rather than a whimper with the Congress being a big success. An enjoyable time was had by everyone who attended with lots of positive feedback from other local groups as well as interstate and overseas visitors. Both our tables were well attended by our volunteers and committee members, with lots of queries about what our group did, especially the Legacy and Family Tree Maker Users Groups. A big thank you to all the Committee members and the Volunteers for their invaluable help in tending to our stalls. We will be elaborating on the Congress and the lectures later in newsletters as well as the June quarter of The Compass. There are lots of flyers and brochures about the Congress in our library, and will be on display for anyone to browse through them, as well as photographs.

Earlier in March, an email was sent to all our members from Heidi Ing from The Friends of South Australia's Archives regarding a Heritage Walk on Sunday the 15th April 2012 meeting at the Glenelg Town Hall at 1.45 pm. The Walk will include Colley Terrace, Augusta Street, Jetty Road and adjacent streets. The cost is \$15.00 per head for non members, with payment to go to Friends of

South Australian Archives as per previous email and PDF document. So if anyone is interested in this walk, please meet at the allotted time and place. One of the past tours conducted by this group was included in the Congress Programme.

The March meeting of the Legacy Users Group was well attended with members going through the steps to put Sources into the program.

The Family Tree Maker Users Group also had a good attendance in March. This Group is still looking for a Convenor.

Ivan and Margaret continue to be busy on Thursdays with research queries and regulars calling in to use the computers, have a cup of tea and a chat.

As you can see from the Calendar, we have Marie Maddox from the State Library this month talking about the English Suffragettes and Suffragists. Marie is well known to most of us from past talks and was an instrumental committee member of Congress.

We can be guaranteed an entertaining night from Marie.
