From the Committee

The Congress is well and truly over and we can now look forward to our Annual General Meeting to be held on 14th July at 1.00pm. In the meantime, we had a very interesting and informative talk in April from Marie Maddocks on Suffragettes and Suffragists. Something different this month, It is on Photo Story a simple and free program that can easily be downloaded from the Internet. Very user friendly and an ideal way to preserve those memories.

Our Legacy and Family Tree Maker Groups continue to be well attended and for those people that do attend, we hope you continue to enjoy meeting other members, and learning about what the programs can do for you. We urge any other members who would like to join these groups to come along on the allotted days/nights - you never know, you may enjoy learning new computer skills and putting your family trees into order. Or, you can just sit in and listen to see if it is something you would like to do. This is all part of your membership, so we urge you to come along. The Legacy Group meet on the first Monday night in the month at 7.00pm and the Family Tree Maker Group meet every 3rd Saturday in the month at 1.30 pm. Both meetings are at the Ann Street Salisbury rooms. We continue to be open every Thursday from 10 am to 4 pm for research purposes, either on your own or with help from the volunteers. Don't forget to make a booking though.

We have added more historical material to our Library with a few more books and magazines. The Library is for all our members, so please use it.

Our new computer will be up and running shortly with the first to run Windows 7 and once it is in action, it will mean we have 6 computers available to use, plus of course our ANDFHGNET Wi-fi connection which is available for you if bring your own Laptop.

We look forward to seeing you at Ann Street on any day or night we are open.

May 2012

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

7 pm THURSDAY 17th May

Lisa Southon

“Save your Memories using Photo Story”

Create slideshows using your digital photos very easily with Microsoft Photo Story. With a single click, you can touch-up, crop, or rotate pictures. Add stunning special effects, soundtracks, and your own voice narration to your photo stories.

Then, personalize them with titles and captions. Small file sizes make it easy to send your photo stories in an e-mail. Watch them on your TV, a computer, or a Windows Mobile-based portable device.

BE EARLY TO ENSURE SEAT

Tea, coffee, and refreshments are provided

EVERYONE WELCOME

Admission Free to members

Non Members \$2
